E se 'l mondo là giù ponesse mente
al fondamento che natura pone,
seguendo lui, avria buona la gente.

Dante Alighieri, *La Divina Commedia*,
Par. VIII, 142-144

But if the world below would set its mind
on the foundation Nature lays as base
to follow, it would have its people worthy.

Paradiso, in *The Divine Comedy of Dante Alighieri*,
a verse translation with introductions & commentary
by Allen Mandelbaum, Berkeley-Los Angeles,
The University of California Press, in collaboration
with the Schlesinger Foundation, 1982, p. 72.
