E se 'l mondo là giù ponesse mente  
al fondamento che natura pone,  
seguendo lui, avria buona la gente.

Dante Alighieri, *La Divina Commedia*,  
*Par. VIII*, 142-144

But if the world below would set its mind  
on the foundation Nature lays as base  
to follow, it would have its people worthy.

*Paradiso*, in *The Divine Comedy of Dante Alighieri*,  
a verse translation with introductions & commentary  
by Allen Mandelbaum, Berkeley-Los Angeles,  
The University of California Press, in collaboration  
with the Schlesinger Foundation, 1982, p. 72.
